### **Welcome to Natai.**

Natai Beach is situated in a beautiful pocket of Phang Nga near Khok Kloi, where the sea air mingles with rivers, traditional shrimp farms, fishing villages, and agricultural fields.

The centrepiece of Natai beach is Natai pier which is a spot for anglers and fishing boats. Either side of the pier is a beautiful stretch of soft white sand.

This unspoiled and exclusive location of Natai Beach in Phang Nga Province, offers the opportunity to completely get away from the hustle and bustle of the main tourist areas, yet still have access to key facilities just a few minutes away.

It is a ten minute drive north of Phuket island from Sarasin Bridge and Phuket international airport is only 28 km away.

Yet the location remains quiet and relatively undisturbed away from the crowds.

Relax and enjoy your stay, away from all the tourist hype, to explore Phang Nga province and Phang Nga Bay.
